Hope you're have  
good weather too.

Dear Jim,

Jerry picked me up Sat  
night & we drove over to near  
Bend where we met Ken &  
several friends at their camp.

Next morning we got up  
early & went down to the  
lake where we spent the  
day water skiing, sunning,  
eating, & beer drinking. It  
was a perfect day - hot, dry  
& the scenery gorgeous. Sunday  
night we drove back thru the  
mountains past Lost Lake. In
